

Joining FBC

A person who professes faith in Christ is one who recognizes the unique nature of Christ to help us fulfill God's desire to have a right relationship with God, humanity and the world, to have sin forgiven, and to experience eternal life.

We ask that persons who profess faith in Christ be baptized by immersion as a symbol of their faith and new life in Christ.

Persons who have made a decision to be an intentional follower of Christ and who have had a meaningful baptismal experience may join First Baptist Church by transferring their membership from another church.

A faithful church member will regularly:

- Participate in worship with the FBC family;
- Seek to be an informed believer through such things as study and engagement with other as followers of Christ and with the world;
- Share one's spiritual gifts by participating both in worship and other kingdom-focused ministries; and
- Give cheerfully and generously of one's time, talents and treasures.

Please answer the following question and complete the front and place it in the offering plate or give it to the pastor.

I wish to join First Baptist Church:

- ___by professing publicly my faith in Christ and by being baptized
- ___by my statement of faith and previous baptism
- ___by transfer of my church membership
